Notice of Business Closure – Effective December 1, 2026

Dear Valued Customer,

We are writing to inform you that after 59 years of service to the decorating trade, our business will be closing permanently on December 1, 2026. This decision was not made lightly, and we are deeply grateful for the trust and support you have shown us over these many years.

As we prepare for closure, we will continue to operate as usual through December 1, 2026, but will not accept new orders after November 1, 2026. If you have any outstanding orders or account issues, we encourage you to contact us so we can assist you before operations conclude.

Thank You for being part of our history. It has been our privilege to serve this community for so many years.

With deepest respect,

Raymond Weishaar
